BY TRAIN

Northolt Station (Central line) is a twelve minute walk away. Turn right on exiting the station. Cross over the road at traffic lights and walk down Mandeville Road. Before the green, turn left into Ealing Road, and then immediately bear left into Belvue Road. You will find Rowdell Road is the second road on your right. Our offices are on the left hand side as you enter Rowdell Road, next to the offices of First Network.

BY CAR - Directions from M40/M25

Leave the M25 at Junction 16/1A in the direction signposted Uxbridge/London. This will take you onto the M40 then directly onto the A40. Keep on the A40 until you reach the Target Roundabout (McDonald's) via slip road, proceed ahead as if going back onto the A40, London bound. Just as you approach the slip road, keep to the left hand lane and follow signs for "Northolt Industrial Estate" & Southall.

At the bottom of the slip road you have reached Rowdell Road, turn left, pass STERLING removals on your left and LOGIC Certification is three hundred yards on your right. Ample parking is available. Please, do not park in the areas allocated to the offices of First Network.

BY CAR - Directions from A40/A312

Approach the Target Roundabout from either the A312 or A40. On reaching the roundabout proceed as if going back onto the A40, London bound. Just as you approach the slip road, keep to the left hand lane and follow signs for "Northolt Industrial Estate" & Southall.

At the bottom of the slip road you have reached Rowdell Road, turn left, pass STERLING removals on your left and LOGIC Certification is three hundred yards on your right. Ample car parking is available. Please, do not park in the areas allocated to the offices of First Network.
